LOST BULLION
GIVEN MORE
TIME

Case Continued at Denver Un-
til October 24 at
Their Request.

Denver, Colo., Sept. 30.—Judge
Lewis has continued until October
24 the hearing on the motion for a
new trial in the case of the men con-
victed in connection with the Lost
Bullion Spanish mines frauds. The
hearing was set for Saturday, but
the attorneys for the defendants told
the court that they had been too
busy with other matters to prepare
arguments. United States District At-
torney Harry Bone of Topeka, Kan.,
to whose handling of the prosecution
the conviction of the men was due,
appeared for the government and
did not resist a continuance. It was
also agreed between him and the
counsel on the other side that if the
latter were unable to get ready by
October 24 the hearing would
again be postponed until November
8th.

Wife Intervenes.
The wife of A. E. Keasler, who by
his own testimony brought out the
fact that he was the ring leader in
the company's scheme, is endeavor-
ing to secure clemency for her
husband. She has seen United
States District Attorney Cranston,
interviewed the jury members in the
trial and has asked for an interview
with Mr. Bone. She claims her husband
is innocent.

Mr. Bone arrived Thursday morn-
ing. He made the trip from Topeka
in an automobile. As the United
States district attorney of Kansas,
he will prosecute H. H. Tucker, the
indicted president of the Uncle Sam
Oil company. The trial will begin
October 12 probably in Topeka.
It is thought that Mr. Bone will be
sent here to prosecute the other
mining fraud cases which are to
come up later because of his good
work in the Lost Bullion trial.

NEW MEXICO MAN
SHOWS MISSOURIANS

Joplin, Mo., Sept. 30.—With Supt.
E. J. Vert of the Joplin public
schools, stoutly maintaining that his
students can not be excused during
study hours for the purpose of tak-
ing music lessons, or for any other
reason except of great importance,
and with the citizens of Joplin, in
great numbers, signing petitions re-
questing the school board to cause
the school restrictions to be less
rigid, it appears that exciting times
are in store for all parties concern-
ed.

At the head of the movement to
bring about a change in Prof. Vert's
decision is Clay Gregory, secretary of
the Joplin Commercial club. He
states that the wishes of the majority
of citizens should be observed.

Supt. E. J. Vert, comes from Las Vegas,
N. M., this being his first year in
Joplin. He brought with him num-
erous ideas of his own and in al-
most every instance he has been suc-
cessful in influencing the school
board to his way of thinking.

Vert maintained that the high
schools hours of last year, namely,
from 8:30 a. m. to 3 p. m., with a
short intermission for recess, were
absurd, and succeeded in bringing
about a radical change, the hours
this year at the high school being
from 8:30 a. m. to 3 p. m., with an
intermission in the morning for re-
cess and a long noon interval of al-
most two hours.
